

TO THE VOTERS OF OGDEN

The undersigned citizens of Ogden, believing in good government, urge all voters, regardless of politics or creed, to go to the polls next Tuesday and vote for the candidate of their choice for Mayor; for City Commissioner, and for City Auditor.

By doing this a full expression of the wishes of the people will be obtained which is of most vital importance to the community.

This appeal is not being made in the interest of any candidate or of any political party, but solely in the interest of good government. To this end we again urge all qualified voters of this city to exercise the sacred privilege of the elective franchise at the polls tomorrow.
